The Giving Tree Preschool is a Christian half day school that is a ministry of Lutheran Church of Our Saviour. We have used the "WEE Learn" Curriculum Guide as a basis for our program which is specifically designed to meet the needs of young children. Using the vast teaching resources available we have created an environment that will develop the children's relationship with God and help them to grow academically through age appropriate structured play and hands on activities. The children participate in arts and crafts, singing, finger plays with poems and songs and also "free time" play. They will become familiar with the alphabet, counting and appropriate behavior in the classroom and interaction with their classmates. We lovingly encourage proper behavior and help children develop a healthy sense of self.

Here at the preschool the children have snack time, provided by their parents. Twice a month the Pastor holds a short chapel time. We also have a monthly bible story and continue the message learned with a related craft or activity. Our music director brings the gift of music to the children twice each month. We do not go on field trips but bring the fun to the school. A onetime Activity Fee goes towards these events that include the fire department, juggler, Rosie Clown, Thanksgiving Feast, Dad's Night, Mom's Day and more. We plan at least one special activity each month. The children also spend time outside on the playground or ride trikes for half an hour, weather permitting.

Our schedule follows Chesterfield County Public School schedule. Classes are from 9:30am to 12:30pm. Children enrolled in the PreK program stay until 2:00pm each Wednesday. The school is in session the week after Labor Day through May. If you have any questions, please do not hesitate to call me.

Sincerely,

  
Mary Dumont  
Program Director
