

About: At the Giving Tree Preschool, we offer a loving Christian environment for children to grow and develop a healthy sense of self and positive attitudes. We nurture God's children through a Christian based education emphasizing social and emotional development so they may increase his/her confidence, self-control, and problem-solving abilities. They will explore their world, letters, numbers, shapes, and colors. Fine and gross motor skills will be developed through play and hands-on activities.

Job Description: We are looking for an energetic, loving, and flexible educator to lead our two-year-olds class. This position is part-time on Tuesdays and Thursdays from 9:00 a.m. to 1:00 p.m., September through May.

Responsibilities:

- Engage the children in play and craft activities that stimulate their development.
- Conduct proper supervision that keeps the children safe at all times.
- Foster social skills and manners.
- Create a calendar with daily activities that are developmentally appropriate.

Qualifications:

- The teaching candidate should possess at least a two-year college degree, not necessarily in early education or child development.
- Experience in mentoring and teaching young children is mandatory.
