

FAMILY FAITH BUILDING ADVENTURES

Week One: Noah's Ark

from freebibleimages.org

Bible Story: *Genesis 6:9–9:17*

Read the story together (it's a long one) and/or watch Pastor Katie's retelling.

Discussion Ideas:

- How did God provide for and protect Noah's family and all of the animals?
- How does it feel to be cooped up inside for a long time away from your friends and extended family?
- How do you feel like God has provided for you or your friends/family during this time of the pandemic?

Activity:

Working together as a family, build an ark using any materials you can find at home. (Check your recycling bin!) Just like Noah followed a plan from God, you will need a plan for building your ark. How big will your ark be? Do you want your ark to actually float? Do you want to put any animals or people inside your ark?

Prayer:

The light of God surrounds us; the love of God enfolds us.

The power of God protects us; the presence of God watches over us.

Wherever we are, God is; and where God is, all is well. Amen
