

FAMILY FAITH BUILDING ADVENTURES
Week Two: Feeding the 5000

from freebibleimages.org

Bible Story: John 6:1-15

Read the story together and/or watch Pastor Katie's retelling.

Discussion Ideas:

- What was the last thing you shared with someone?
- How do you feel when you share something with someone?
- Why do you think God wants us to share our resources?
- Can you think of other stories or Bible passages about sharing?

Activity:

As a family, prepare a meal that includes fish and some kind of homemade bread (yeast bread, biscuits, muffins, cornbread, etc.) While you eat your meal, brainstorm ways that your family can help to feed someone who is hungry or hurting. Choose one of your brainstormed ideas to implement.

Prayer:

God, thank you for all that you have given to me. (Each person can name something they are thankful for.) Help me to share my resources freely with others so that they may feel safe, loved, and cared for. Amen

Don't forget to send a picture of your family with your meal via email to Kayleigh at:
